As-new home with side access in great location

Set on a generous 707m² in the popular Timbertown area is this established four bedroom home that offers a versatile floorplan that has been thoughtfully designed to allow for a range of living arrangements. Set at the front of the home is the main bedroom with its own air con, walk-in wardrobe and sparkling ensuite. A separate lounge/media room is also in the front part of the home that opens up into a light-filled kitchen and dining area that flows through sliding doors to the undercover entertaining area and rear garden.

The kitchen enjoys a gas stove top and walk-in pantry with plenty of bench space.

At the rear of the home there are three more bedrooms, all with built-in wardrobes, and another living area that is perfect for the children or other family members who can enjoy their own area of the home. The three bedrooms are all serviced by the main bathroom that has a separate bath and shower.
