Nestled within an acre of mature gardens, this exquisite three bedroom, two bathroom property reflects a considerable investment made by the current owners to create a peaceful and aesthetic environment.

Located in the sought after King Creek area, the property offers a private and established space ready to be instantly appreciated.

The statement double timber front doors reveal a carefully designed interior that has been significantly enhanced and extended using a tasteful selection of fixtures and finishes.

A main lounge features an ornate fireplace, hardwood floors and plantation shutters and is slightly elevated from the rest of the home.

At the rear of the home is the light-filled main bedroom that enjoys 14 foot ceilings and immense windows that frame the delightful outlook across the rear gardens. It has a set of French doors to the rear entertaining area and also enjoys a large ensuite and walk-in wardrobe.

The second bedroom is currently configured as a dedicated library/study but could easily be re-purposed as a large comfortable bedroom.
