## Stunning acreage lifestyle

This meticulously renovated four bedroom home blends a convenient land size with a peaceful rural location within easy access to Port Macquarie, Wauchope and Beechwood.

Offering a relaxing outlook over adjoining acreage, the property is set on a level acre (4047m<sup>2</sup>).

The home has benefited from a number of improvements inside and out in readiness for its new owner.

A large open plan living and dining zone is complimented by a brand new kitchen with new appliances and a walk-in pantry. This zone flows through to a second living space that has a cozy wood fire. Sliding doors lead to a newly created undercover area that is perfect for year round outdoor living and entertaining.

At one end of the home is the master bedroom with ensuite and its own lounge area that could also function as a study or fifth bedroom.

The other three bedrooms are at the other end of the home and are serviced by the new main bathroom with shower and separate bath. Freshly painted and carpeted throughout, the home is light and bright while retaining its homely and welcoming feel.

Buyers looking for that elusive combination of location, level small acreage, country outlook and good-sized home will recognise the great value in this delightful property.
