## "Stratheden" - timeless and elegant custom-built home with mountain and forest outlook

Completed in 2013 by a local custom home builder, "Stratheden" takes advantage of its sought after elevated position with its expansive outlook to Bago Mountain and surrounding forests.

Set on a manicured 6307m<sup>2</sup> (1.55 acres), the timeless architectural design features generous dimensions and quality fixtures and finishes throughout which are hallmarks of this 462m<sup>2</sup> home.

The floorplan offers five bedrooms, three bathrooms, study, media room and several informal and formal living and dining areas.

An undoubted highlight of the home is the main living and dining zone with the high end kitchen complete with granite benchtops, American Oak cabinetry, 900mm oven and gas stovetop and adjoining butler's pantry.

Nine foot ceilings, quality flooring and extra height doors promote a sense of space and light throughout and year round comfort is assured with zoned and ducted heating and cooling, three gas outlets and a built-in fireplace.
