3 Elizabeth Street, Wauchope

## Attractive and charming home in quiet location

This charming three bedroom home offers an attractive living environment inside and out with street appeal and good-sized gardens front and rear.

The floor plan offers an expansive living and dining zone that connects to the kitchen, all bathed in plenty of natural light from multiple sets of windows and French doors that lead to the rear garden.

Polished wooden floorboards, 10 foot ceilings, ornate cornices and a woodheater set into the open fireplace all contribute to the home's character feel.

Two of the bedrooms have built-in wardrobes and all three have ceiling fans. The main bathroom has a bath and shower and a second toilet has been fitted in the separate laundry.

Immaculate gardens front and rear offer plenty of space for children and pets with a veggie garden and garden shed.

This property represents a compelling proposition for young families or downsizers who want to enjoy a period home from day one.
